WORKFORCE CONNEX

Regional Forums:

Building Strong Aboriginal and
Private/Public Sector Partnerships

October 15-16, 2007
Winnipeg, Manitoba

EMPLOYERS • EDUCATORS • ABORIGINAL EMPLOYMENT
ORGANIZATIONS • GOVERNMENT

- Find solutions to your labour shortages.
- Build employment partnerships that open doors for Aboriginal people.
- Discover training opportunities and supply/demand information.

Hosted by the Manitoba Workforce Connex steering committee
and the Aboriginal Human Resource Council.

Aboriginal Human
Resource Council

connections – partnerships – solutions

Canada's leading innovators in Aboriginal recruitment, retention and advancement

ABOUT THE FORUMS • • • •

Workforce Connex is a national forum series that will link you to new regional partners and solutions that offer resolve to employment training, recruitment and retention issues.

Canadian employers are facing skill shortages. Now is the time to take advantage of this learning/partnering opportunity and access the skills of Aboriginal people eager to fill the need.

This 2006/2007 forum series will help you develop new and successful business strategies that serve your bottom line and help Aboriginal Canadians acquire the right skills and opportunities to enter new labour market sectors.

Connecting strategic sources and solutions with Aboriginal talent and labour markets

BE INVOLVED IN THE CANADIAN LABOUR SOLUTION • • • •

EMPLOYERS • EDUCATION & TRAINING PARTNERS
ABORIGINAL EMPLOYMENT ORGANIZATIONS • CAREER PRACTITIONERS
EMPLOYMENT COUNSELLORS • UNION REPRESENTATIVES

VALUE ADDED SOLUTIONS...

Industry - increase your employer/employee network, apply labour market supply and demand information, build effective business relations with Aboriginal employment organizations, discover Aboriginal and private sector successes.

Aboriginal Employment Organizations - increase your labour market contacts, learn about career profiles, labour demands, employment, training opportunities and supply strategies.

Training Authorities - showcase training programs, develop effective business relations with Aboriginal employment organizations and industry, gain labour market supply and demand information.

Government - connect with various economic sectors, learn about the unique employment issues/needs of Aboriginal people and private sector employers.
